of Health**

# Patient Reported Experience Measures (PREMs) Subcommittee

# Proposed Scope of Work

- ▶ **Statement of Purpose:** The PREMs Subcommittee is charged with addressing and implementing key recommendations from the clinical and consumer advisory committees, and advancing general efforts to integrate the collection of PREMs in HIV healthcare facilities throughout NYS.
- ▶ **Objectives:**
  - ▶ Continue education on the value of PREMs in QI
  - ▶ Identify or develop PREMs to be used in HIV quality management
  - ▶ Identify methods to engage hard-to-reach patients in PREMs
  - ▶ Develop a standardized approach to measuring patient experience for the NYS AIDS Institute Quality of Care Program

# Work to date

- ▶ 3 QAC members have signed up to participate in sub-committee
- ▶ Strong commitment from Consumer Advisory Committee
- ▶ Is your organization utilizing PREMs for quality improvement?
